Local levies are still needed to maintain current programs in Washington school districts. The recent McCleary decision will make levies much smaller, but it does not eliminate them.

**Proposition #1: Educational Programs and Operations Replacement Levy will fund...**
- Teachers to lower class size
- Counselors, nurses and other support staff for student health
- Security and safety personnel
- Classroom materials such as books, textbooks, and supplies
- Orchestra, band, choir and theater programs
- Transportation and special education
- District athletic programs
- Training for teachers and other staff
- Community use of the pool, fields and other facilities
- After school programs, extracurricular activities and summer school

**Proposition #2: Replacement Levy for Capital Improvements to Facilities and Safety and Technology Systems will fund...**
- Replace aging HVAC systems
- Replace aging roofs
- Seal and/or resurface parking lots
- Expand and improve safety and security technology
- Classroom technology for students
- Technology infrastructure, software and data systems
Propositions 1 & 2 will...
  • Replace expiring levies passed in 2014
  • Result in lower taxes for UP residents
  • Maintain our current programs
  • Fund key programs for kids in UP

Ballots must be returned by February 13, 2018
