Procedure - Leave Sharing

A. A district employee is eligible to receive donated leave if:

1. The staff member suffers from, or has a relative or household member suffering from, an extraordinary or severe illness, injury, impairment or physical or mental condition or who has been called to service in the uniformed services which has caused, or is likely to cause, the staff member to:
   a. Go on leave-without-pay status; or
   b. Terminate his/her employment;

2. The staff member’s absence and the use of shared leave are justified by documentation;

3. The staff member has depleted, or will shortly deplete, his/her annual leave and sick leave reserves;

4. The staff member has abided by district rules regarding sick leave use; and

5. The staff member has diligently pursued and been found to be ineligible to receive industrial insurance benefits.

The superintendent shall determine the amount of leave, if any, which a staff member may receive under this policy. However, a staff member shall not receive more leave than the number of contracted days remaining in the current school year. In the event that the condition requiring the employee’s absence continues beyond the current school year, the employee shall not receive a total more than the equivalent of two years of the individual employee’s contracted days of donated leave during the total district employment.

B. Per RCW 41.04.665, district employees may donate leave as follows:

1. A staff member who has an accrued annual leave balance of more than ten (10) days may request that the superintendent transfer a specified number of days to another person authorized to receive shared leave, or to the district’s annual leave pool. A staff member may not request leave to be transferred that would result in an accrued annual leave balance of fewer than ten (10) days;

2. A staff member who accrues annual leave and sick leave may request that the superintendent transfer sick leave to a person authorized to receive shared leave, or to the district’s shared leave pool. A donating staff member must retain a minimum of 176 hours of sick leave after the transfer;

3. A staff member who does not accrue annual leave but who has an accrued sick leave balance of more than twenty-two (22) days may request that the superintendent transfer a specified amount of sick leave to another person authorized to receive such leave, or to the district’s shared leave pool. A staff member may not request a transfer that would result in an accrued sick leave balance of fewer than twenty-two (22) days. Sick leave as defined in RCW 28A.400.300 means leaves for illness, injury and emergencies;

4. A staff member who receives personal leave may request that the superintendent transfer a specified amount of personal leave to another person authorized to receive shared leave, or
to the district’s shared leave pool. A staff member may request to transfer no more than eight (8) hours of personal leave during any calendar year;

5. The number of leave days transferred will not exceed the amount authorized by the donating staff member; and

6. Any leave donated by a staff member which remains unused will be returned to the donor based on the date received. Donations are used in the date order received.

C. Leave will be calculated on a day-donated and day-received basis.
