**Data Driven Instructional Practices**

- Providing extra support to students after school (math and science tutoring and increasing the number of students taking AP courses)

**What is the high school doing to meet its goals?**

- The mission of the University Place School District, in partnership with our community, is to develop competent, contributing citizens for a changing world.

---

UPSDF Welcomes New Principals and Assistants

Eric Becker, a graduate of University Place High School, has been named principal at Western High School. Becker, who earned a Bachelor of Arts degree in political science from the University of Washington, has been principal at the Quincy (Washington) school system. Becker earned a Bachelor of Arts degree in history of art and architecture from the University of Washington, and is an avid traveler. He is married with one daughter.

Jane Holliday, a former principal of Puyallup High School and a 1995 graduate of University Place High School, has been appointed assistant principal at Sunset Intermediate School, where she will provide instructional support in mathematics and science.

Jennifer Wong, a graduate of the University of Washington, is a member of the University Place Primary School faculty. She earned a Bachelor of Arts degree in political science from the University of Washington, and is an avid traveler. She is married with two children.

Chris Kilduff, a graduate of the University of Washington, is assistant principal at Sunset Intermediate School. He earned a Bachelor of Arts degree in history of art and architecture from the University of Washington, and is an avid traveler. He is married with two children.

UPSDF is a drug-free and smoke-free work environment. Direct inquiries to the principal’s office.

Their selection makes them eligible for student leadership roles, and is an important step in their development as future leaders.

Outside of school, he operates a successful video and editing business, and is an avid traveler.

The State of our School District Is Strong

A Message from Superintendent Patti Banks

With the 2013-14 school year now well underway, many of you have already had the opportunity to visit your children’s schools, talk with our talented and dedicated teachers, administrators, and support staff, and learn more about our excellent academic and extracurricular programs. We are committed to ensuring that our schools continue to reflect the community’s values and high standards by directing our resources to the priorities of the community’s values and high standards by directing our resources to the priorities of the community’s values and high standards.

Safe and Supportive School Environment

Nothing is more important to our district than the safety and well-being of our students. Our schools continue to reflect the community’s values and high standards by directing our resources to the priorities of the community’s values and high standards by directing our resources to the priorities of the community’s values and high standards.

The UPSD is a drug-free and smoke-free work environment. Direct inquiries to the principal’s office.
